Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313

Sir:

In connection with payment of the Issue Fee in the above-referenced application filed herewith, Applicant would like to draw the Patent Office's attention to the attached copy of the Request to Rescind Previous Nonpublication Request Form PTO/SB/36 (10-01) dated April 22, 2002 with statement that the filing of this rescission of a previous nonpublication request is considered the notice of a subsequent foreign or international filing required by 35 U.S.C. 122(b)(2)(B)(iii) filed in the above referenced application. Upon receipt of the Notice of Allowance, Form PTOL-85 Part B Fee Transmittal did not include the publication fee of \$300.00 which prompted the Applicant's representation to contact the publication hotline. Applicant learned that the above referenced patent application had not been published even though the request to rescind the previous nonpublication request and notice of subsequent foreign filing was received. Applicant has subsequently received a Communication Regarding Rescission of Nonpublication Request and/or Notice of Foreign Filing (copy enclosed) dated June 14, 2007, which acknowledges receipt of the rescission and projects a publication date of September 20, 2007. Filed concurrently herewith, Applicant has included payment for the publication fee of \$300.00, along with the Issue Fee payment of \$700.00, for a total payment of \$1,000.00.

Pursuant to the "Clarification of the United States Patent and Trademark Office's Interpretation of the Provisions of 35 U.S.C. 122(b)(2)(B)(ii) – (iv)," published in the OG on July 1, 2003, Applicant understands that USPTO Form PCT/SB/36 (revision April 2001 or later) may be used to both rescind a nonpublication request and provide notice of foreign filing required by 35 U.S.C. 122(b)(2)(B)(iii), and that the benefit of a certificate of mailing or transmission under 37 CFR 1.8 will be given to a notice of foreign filing. Applicant has complied with this requirement, as shown in the attachments, USPTO Form PTO/SB/36 (10-01) was timely filed and the Form (revised in October 2001) includes a statement of notice of a subsequent foreign or international filing required by 35 U.S.C. 122(b)(2)(B)(iii).

If any matters can be handled by telephone, Applicant requests that the Office telephone Applicants' attorney at the number below. The Commissioner is authorized to charge any additional required fees, or credit any overpayment, to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310 (Order No. 067535-5001-US).
